## ABOUT

As a third-year AIML student at Srinivas Institute of Technology, I am a highly motivated individual with a deep passion for AI, Machine Learning, and software development. With experience in leading and managing projects, I thrive on solving complex problems and building impactful solutions. Beyond academics, I actively seek opportunities to blend creativity with technology, ensuring continuous growth in this dynamic field.

---

## SKILLS

- **Programming Languages:** Python.
- **Web Development:** Django, Bootstrap .
- **Machine Learning:** Scikit-learn, TensorFlow, Pandas, NumPy, Scipy.
- **Strengths:** Problem-solving, critical thinking, adaptability, creativity and leadership.

---

## WORK EXPERIENCE

### ♦ Machine Learning Intern | Cognifyz Technologies | Sep 2024 – Oct 2024

- Developed a machine learning model to predict restaurant ratings based on restaurant features.
- Utilized **Python** and **scikit-learn** for data preprocessing, analysis, and model optimization.

---

## PROJECTS

### Restaurant Rating Prediction (Machine Learning)

- Built a predictive model to estimate restaurant ratings using machine learning techniques.
- Applied data preprocessing and feature engineering to improve prediction accuracy.

### Real-Time Equity Analysis

- Developed an innovative tool for real-time financial insights and stock analysis.
- Integrated sustainability (ESG) factors and market sentiment analysis to assist investors.

### Web-Based Timetable Management System

- Developed an interactive timetable management system for scheduling events and classes.
- Implemented CRUD operations to allow users to add, edit, and delete timetables dynamically.

---

## EDUCATION

### Bachelor of Engineering - Artificial Intelligence and Machine Learning

Dec 2022 - Present

Srinivas institute of Technology, Karnataka, India - 7.16 GPA

### Class XII – PCMC

Jun 2020 - Jun 2022

Sri Venkatramana Swamy College, Bantwal - 78%

### Class X

Jun 2019 - Jun 2020

National Institute Of Open Schooling, Pune - 56%

---

## ADDITIONAL INFORMATION

- **Languages:** Hindi, English, Marathi, Kannada.

- **Awards/Activities:**

- ◆ **Machine Learning Co-Lead** | SSOSC | [Oct,2024] – Present
  - Spearheading ML initiatives, mentoring peers ML.
- ◆ **Explorer** | Developer Konnect 2024 (DK24) | [Feb,2024] – Present
  - Engaged in collaborative projects, networking, and technical skill-building in software development.
- ◆ **Joint Secretary** | [Student Council SIT] | [2023] – [2024]
  - Managed administrative tasks, coordinated events, and facilitated smooth operations in the organization.
